Bully B'ware Productions Inc. Surveying Tool

Ordering Options

On line survey – one only \$.50 per student

Students take one of two on line surveys.

- *Picture Survey - The picture survey has a variety of general school pictures common to all schools, both inside and outside the building, and students rate how safe they feel in each of the areas. Scale of safety 1-5 23 areas defined

* schools can request a custom survey with pictures of their own school for an additional charge. Please Contact Bully Beware Productions Inc. directly at [www. bullybeware.com](http://www.bullybeware.com) for this service.

- Word Survey – students answer a variety of questions designed to determine their perceptions of the level of safety of the school. This survey gives different information than the picture survey. 15-25 questions, depending on the age of the students

Results from either one of these surveys are provided back to the school within one week of students completing the survey. Results are reported out through easy to read and interpret graphs and charts

On line survey – both surveys \$.75 per student

Students take both the picture and the word survey to get a more complete understanding of the students' perception of the culture and climate of the school.

Results are reported back to the school within 2 weeks of survey completion. Results are reported out through easy to interpret graphs and charts.

On line surveys (both) \$1.00 per student

Target Intervention Toolkit with custom designed lesson plans and activities targeting the top 5 "Red Zones" in the school

A re-survey opportunity within 12 months of the original survey
